In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 28th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

GENERAL ORDER. No. 357.

HORSE GUARDS, 24th July, 1817.

WITH a view of establishing a uniform system of Riding throughout the Army, His Royal Highness the Prince Regent has been pleased to direct the establishment of a Riding School under the superintendence and direction of Major Peters, to which Regiments will, in their turns, be directed to send Detachments, for the purpose of receiving instruction.

The Commander in Chief desires to call the particular attention of Officers in command of Regiments of Cavalry to this most important subject. It is incumbent on them to select for this duty, active, intelligent young men, who are not only calculated to receive instruction themselves, but who are likely to become competent to give it to others, and to assist in establishing the system in their respective Regiments. It will be necessary that the Riding Master of each Regiment should attend, and he must come prepared to lay aside all prejudices grounded on habit and previous practice, and to adopt, and to carry into effect, that system of equitation, exclusively, which has been approved by His Royal Highness.

It will also be required, that one young Officer of each Regiment shall be sent to the School, for the purpose of receiving instruction from Major Peters, and acquiring that degree of knowledge of Horsemanship which may render him an useful Assistant, under the direction of his Commanding Officer, in the Riding School of his Regiment.

The Commander in Chief, at all times when he may inspect the Riding School, will expect, in the first instance, all the Officers under instruction to ride before him, and he takes this opportunity of apprising Officers in the Command of Regiments of Cavalry, that, at all future Inspections, the Riding of the Officers will be made a special Article of Report, and that the General Officer, making the Inspection, will be required himself to witness the Riding of each individual Officer, in order that he may ascertain and be enabled to report what progress is making in this most important branch of Military instruction, and to state, from his own personal observation, whether there are any Officers, who, from a want of attention, or a want of ability, have failed to attain that knowledge of Horsemanship, which is requisite for a due performance of their duty in the field.

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT, Adjutant Gen.

THE Adjutant General has the honor to transmit, for the information of the annexed Copy of a Letter, which, by His Royal Highness the Commander in Chief's command, has been this day addressed to Major Peters, who has been appointed to superintend the Riding School of the Army.

Horse Guards, 29th July, 1817.

Colonels and Commanding Officers
of Regiments of Cavalry.

COPY.

SIR,

HORSE GUARDS, 29th July, 1817.

I HAVE received the Commander in Chief's directions to inform you, that after due investigation it does not appear to His Royal Highness, that the adoption of the Hussar Saddle for the use of the Light Cavalry renders it necessary or expedient that any alteration should be made in the mode of Mounting which has long been generally practised in the Cavalry. You will therefore take care that no alteration is admitted in the School, and you will be pleased to communicate these His Royal Highness's Commands to the Officers and Riding Masters assembled under your Superintendence.

I have, &c.

Major Peters, &c. &c. &c.

(Signed)

HARRY CALVERT, Adjut. Gen.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmitie contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmitates contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

WAR-OFFICE, 27th August, 1817.

NEW and successful Methods of treating Disorders of the Eyes, more particularly those arising from Egyptian Ophthalmia, having been discovered, and it being the wish of his Majesty's Government to extend the advantages of these discoveries to the Out-Pensioners of Chelsea Hospital, who are afflicted with Ophthalmia and other Disorders of the Eyes, the Secretary at War desires that who is understood to labour under a malady of the above description, will upon being required, by the delivery of this order, submit himself to an Examination by one of the Military Medical Officers appointed Assistants to Sir William Adams, in order that if his case be found susceptible of relief, he may proceed to London for the purpose of being placed under the care of the latter Gentleman.

If the Out-Pensioner should be desirous of returning to his home, before he proceeds to London, he will notify his desire to the Inspecting Medical Officer, who will arrange with him the time, and place, at which he will be required to embark for London.

The Out-Pensioner will be allowed the usual rate of Marching Money (being One Shilling and Ten-pence a day) from the place of his residence, or the Station where he shall be inspected (as the case may be), to the place of Embarkation, reckoning Ten Miles for a Day's March. He will also be provided with a free Passage and Ship's Provisions, and be allowed One Shilling a Day for the period during which he shall be detained waiting for a Passage.

If the Inspecting Medical Officer shall deem it absolutely necessary that a guide should accompany the Out-Pensioner, on proceeding to the place of Embarkation, the same Rate of Marching Money to the Station to which the Pensioner is ordered, and on the return home, will be granted for the guide, upon the Man's producing a Certificate from such Inspecting Medical Officer, of the necessity for the attendance of the guide.

It may be proper to explain to the Out-Pensioner that his Pension will certainly be Suspended, if not ultimately taken from him, if he fails to comply with this order, (unless a Certificate be produced from the Clergyman of the Parish, or a Justice of the Peace, that he is prevented from attending by illness,) or if he conducts himself improperly whilst under Medical Care.

The Out-Pensioner may be assured of receiving every comfort and attention requisite to the Cure of his Malady, but it will of course be proper that he should take with him such Articles of Clothing and personal Necessaries, as may be requisite for him, whilst absent from his home.

Given at the War-Office, this 27th day of August, 1817.

By Command of His Royal Highness the Prince
Regent, in the Name and on the Behalf of

GENERAL ORDER. No. 338.

HORSE GUARDS, 4th October, 1817.

THE Commander-in-Chief is pleased to approve of General Officers Commanding Districts in Great Britain granting Leave of Absence to Officers, and Furloughs to Non-commissioned Officers and Soldiers, under the following Limitations and Restrictions.

The Leaves of Absence granted under this Order, to Officers, may commence as soon as the Half Yearly Inspections shall have been made:—The Furloughs granted to Non-Commissioned Officers and Soldiers are to commence from the 25th of the present Month.

The Indulgences granted under this Order are to terminate on the 10th March next, when, in conformity with his Majesty's Regulations, all Officers and Men are to be present with their respective Regiments.

In the event of Regiments or Battalions, being in Stations, not comprized in Military Districts, the Officers Commanding are at liberty to use their Discretion in granting the Indulgence of Leave of Absence, under the same Restrictions, to the Officers and Men under their command.

One Field Officer, One Half of the Captains, and One Half of the Subaltern Officers, are always to be present with their Regiments.

No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom, without having first received the Prince Regent's Special Permission.

The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the Number hereby fixed for the constant Duty of the Regiment or Battalion.

The applications for Leave for Regimental Paymasters, and Medical Officers, are to continue to be made in the mode prescribed in Pages 52 and 53 of the General Regulations of the Army.

In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of Regiments, it will be necessary that a special Report should be made as to the mode in which their Duties are to be performed during their Absence.

The proportion of Non-Commissioned Officers, Trumpeters, Drummers, and Private Men, to whom Furloughs may be granted, are not to exceed Ten per Troop or Company.

This Order does not apply to the Officers and Men doing Duty at the Depots of Regiments on Foreign Service.

By Command of His Royal Highness,

The Commander in Chief.

HARRY CALVERT,

Adjutant General.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

WAR-OFFICE, 27th August, 1817.

NEW and successful Methods of treating Disorders of the Eyes, more particularly those arising from Egyptian Ophthalmia, having been discovered, and it being the wish of His Majesty's Government to extend the advantages of these discoveries to the Out-Pensioners of Chelsea Hospital, who are afflicted with Ophthalmia and other Disorders of the Eyes, the Secretary at War desires that who is understood to labour under a malady of the above description, will upon being required, by the delivery of this order, submit himself to an Examination by one of the Military Medical Officers appointed Assistants to Sir William Adams, in order that if his case be found susceptible of relief, he may proceed to London for the purpose of being placed under the care of the latter Gentleman.

If the Out-Pensioner should be desirous of returning to his home, before he proceeds to London, he will notify his desire to the Inspecting Medical Officer, who will arrange with him the time, and place, at which he will be required to embark for London.

The Out-Pensioner will be allowed the usual rate of Marching Money (being One Shilling and Ten-pence a day) from the place of his residence, or the Station where he shall be inspected (as the case may be), to the place of Embarkation, reckoning Ten Miles for a Day's March. He will also be provided with a free Passage and Ship's Provisions, and be allowed One Shilling a Day for the period during which he shall be detained waiting for a Passage.

If the Inspecting Medical Officer shall deem it absolutely necessary that a guide should accompany the Out-Pensioner, on proceeding to the place of Embarkation, the same Rate of Marching Money to the Station to which the Pensioner is ordered, and on the return home, will be granted for the guide, upon the Man's producing a Certificate from such Inspecting Medical Officer, of the necessity for the attendance of the guide.

It may be proper to explain to the Out-Pensioner that his Pension will certainly be Suspended, if not ultimately taken from him, if he fails to comply with this order, (unless a Certificate be produced from the Clergyman of the Parish, or a Justice of the Peace, that he is prevented from attending by Illness,) or if he conducts himself improperly whilst under Medical Care.

The Out-Pensioner may be assured of receiving every comfort and attention requisite to the Cure of his Malady, but it will of course be proper that he should take with him such Articles of Clothing and personal Necessaries, as may be requisite for him, whilst absent from his home.

Given at the War-Office, this 27th day of August, 1817.

By Command of His Royal Highness the Prince
Regent, in the Name and on the Behalf of

GENERAL ORDER. No. 338.

HORSE GUARDS, 4th October, 1817.

THE Commander-in-Chief is pleased to approve of General Officers Commanding Districts in Great Britain granting Leave of Absence to Officers, and Furloughs to Non-commissioned Officers and Soldiers, under the following Limitations and Restrictions.

The Leaves of Absence granted under this Order, to Officers, may commence as soon as the Half Yearly Inspections shall have been made:—The Furloughs granted to Non-Commissioned Officers and Soldiers are to commence from the 25th of the present Month.

The Indulgences granted under this Order are to terminate on the 10th March next, when, in conformity with his Majesty's Regulations, all Officers and Men are to be present with their respective Regiments.

In the event of Regiments or Battalions, being in Stations, not comprized in Military Districts, the Officers Commanding are at liberty to use their Discretion in granting the Indulgence of Leave of Absence, under the same Restrictions, to the Officers and Men under their command.

One Field Officer, One Half of the Captains, and One Half of the Subaltern Officers, are always to be present with their Regiments.

No Officer (except in the performance of Duty, or for the purpose of joining his Regiment) is to quit the United Kingdom, without having first received the Prince Regent's Special Permission.

The Officers employed on the Recruiting Service, or upon the Staff of the Army, are not to be included in the Number hereby fixed for the constant Duty of the Regiment or Battalion.

The applications for Leave for Regimental Paymasters, and Medical Officers, are to continue to be made in the mode prescribed in Pages 52 and 53 of the General Regulations of the Army.

In case of short Leaves of Absence being requested by Adjutants, Riding-Masters, Quarter-Masters, or Veterinary Surgeons of Regiments, it will be necessary that a special Report should be made as to the mode in which their Duties are to be performed during their Absence.

The proportion of Non-Commissioned Officers, Trumpeters, Drummers, and Private Men, to whom Furloughs may be granted, are not to exceed Ten per Troop or Company.

This Order does not apply to the Officers and Men doing Duty at the Depots of Regiments on Foreign Service.

By Command of His Royal Highness,
The Commander in Chief.
HARRY CALVERT,
Adjutant General.

WARRANT AUTHORIZING THE PROVISION OF GREY CLOTH PANTALOONS FOR REGIMENTS OF INFANTRY EMPLOYED IN THE EAST INDIES, AND TO THE EASTWARD OF THE CAPE OF GOOD HOPE.

GEORGE P. R.

By His Royal Highness the Prince Regent
of the United Kingdom of Great Britain and Ireland.

WHEREAS It has been represented to Us, that great advantage would result to Our Service, if the Regiments of Infantry employed in the East Indies, and to the Eastward of the Cape of Good Hope, were furnished with Cloth Pantaloons, once in two Years, in addition to the Articles of Clothing directed by Our Warrant bearing Date the 15th day of July, 1812; We, entirely approving of the same, are hereby pleased, in the Name and on the Behalf of His Majesty, to order, that in future Grey Cloth Pantaloons, shall be considered as forming part of the Clothing to be provided for Infantry Regiments serving on the Stations above mentioned, and that the cost of the same shall be defrayed out of the Sum directed by the said Warrant to be laid out under the discretion of the Commanding Officer.

AND for so doing this shall be to the General Officers of Our Clothing Board, Our Inspectors of Army Clothing, and to all other Persons whom it doth or may concern a sufficient Warrant, Authority and Direction.

Given at Our Court at Carlton House, this 30th day of September, 1817, in the Fifty seventh Year of His Majesty's Reign.

WAR-OFFICE.

Department of Accounts, 7th November, 1817.

SIR,

IT having been found that Recruits for Regiments stationed in the Islands of Jersey and Guernsey are often detained at Albany Barracks, whereby much delay takes place in issuing to the Officers and Parties the usual Allowances and Rewards on account of such Recruits; and His Royal Highness the Commander in Chief having considered it expedient, with a view to prevent this inconvenience, to direct that the inspection of the Recruits by the Commandant at Albany Barracks shall be considered as final; I am directed by the Secretary at War, to acquaint you that the Bounty hitherto chargeable at the Head Quarters of Corps on those Stations will, in future, be charged in the Accounts of the Chief Pay-Master at Albany Barracks, and the Rewards to the Recruiting Parties will be issued immediately by the District Pay-Masters, on receiving the usual Final Approval Report from the Chief Pay-Master.

In consequence of this arrangement, no Final Approval Reports are to be given by the Regimental Pay-Masters at the above Islands, for Recruits who have been approved at Albany Barracks; but the Pay-Masters of Corps stationed there, are, immediately upon the arrival of any Recruits from Albany Barracks, to ascertain that they have been properly accounted with, for all the Bounty to which they are entitled.

WAR-OFFICE, 25th November, 1817.

SIR,

REFERRING to my Circular Letter dated 31st August, 1815, (No. 299) I have the honor to signify to you the Prince Regent's Pleasure, in the Name and on the Behalf of His Majesty, that when a Non-Commissioned Officer or Soldier dies possessed of the Book therein mentioned, and the amount of the Effects and Credits of the Man is to be paid to his Representatives under the orders of this Office, the Book be invariably transmitted with the Casualty Return. I am to add, that as it is intended to deliver the Book to the Relatives of the Non-Commissioned Officer or Soldier, the same should be completely made up, so as to shew the balance actually due, and a Certificate should be annexed declaring that the Account has been compared with the Regimental Books and found to be correct.

The Books of the Men who die in Debt should also be transmitted with the Casualty Return, made up and certified in like manner; but in cases in which the property of the Men shall be paid at the Regiment, the Books may be delivered to the Persons receiving the amount of their Effects and Credits. The Books left by Deserters are to be retained at the Regiment.

GENERAL ORDER. No. 339.

HORSE-GUARDS, 30th October, 1817.

THE Commander in Chief having been pleased to direct on the 10th January last, that in the case of Soldiers, whom Commanding Officers of Regiments may, from particular circumstances, feel themselves justified in recommending for Discharge, at their own request, or at the request of their Friends, the Sum of Twenty Pounds shall be paid by each, instead of procuring Substitutes, the following Regulations are to be observed in transmitting, for the Commander in Chief's consideration, the Applications on this subject, and in regard to the appropriation of that Money in the Public Accounts, in pursuance of the directions of the Secretary of War, viz.

1. All applications from Soldiers for their Discharge under this Order, are, in conformity to the General Regulations of the Army, to be made through the Commanding Officers of their respective Regiments.

2. In transmitting these applications to the Adjutant-General, for the Commander in Chief's decision, Commanding Officers are to state the age, height, and services of the Soldier by whom the application is made, and the particular grounds upon which they are induced to recommend that the request may be complied with:—The Applications from Soldiers in Regiments Abroad, are of course to be forwarded through the General Officers Commanding.

3. In every case in which the Commander in Chief's authority is given for the Discharge of a Soldier on the payment of the Sum of Twenty Pounds, the Commanding Officer is to report to the Adjutant-General the date on which the Sum is paid;—to whom it is paid, (that is, Regimental Agent or Paymaster,) and the date of the Discharge of the Soldier, in order that a communication may be made to the Secretary at War.

4. No Money is to be paid, or received, until the Authority of the Commander in Chief shall have been obtained.

5. The Sum received on Account of the Discharge of a Soldier, is to be deducted in the Account in which his Pay is last charged, and the Commander in Chief's Authority for the Discharge is to be annexed.

6. The usual Allowance granted to carry Soldiers and their Families Home, on being discharged, is not to be charged in the cases of Soldiers discharged under this Order.

7. When Soldiers are authorised to be discharged from Regiments Abroad, on payment of the Sum of Twenty Pounds, the expense of their passage is to be defrayed by themselves, or by their friends.

8. In filling up the Discharges of Soldiers who may be discharged under this Order, the Date of the Commander in Chief's authority is to be stated in the 3d Certificate prescribed in the established Form of Discharge; thus:

3d Certificate of the cause of Discharge.

That in consequence of having paid the regulated Sum of Twenty Pounds by the Authority of the Commander in Chief as signified in the Adjutant-General's Letter dated He is hereby discharged.

By Command of His Royal Highness
The Commander in Chief.
